BASIC INFORMATION

Your Name	Nickname	Age	Birthdate	Social Security # (optional)	
Your Job Title	Employer (last, if retired)	# of Years	Work Phone	Retirement Date	
Spouse's Name	Nickname	Age	Birthdate	Social Security # (optional)	
Spouse's Job Title	Employer (last, if retired)	# of Years	Work Phone	Retiremet	
Residence Address		City	State	Zip Code	
Mailing Address		City	State	Zip Code	
Home Phone	Cell Phone	Fax	Email Address		
Referred By: _____			<input type="radio"/> Newspaper	<input type="radio"/> Magazine	<input type="radio"/> Website

**Annual Income**

Your Wages: \$ \_\_\_\_\_

Spouse's Wages: \$ \_\_\_\_\_

Other Income \$ \_\_\_\_\_ Source: \_\_\_\_\_

Other Income \$ \_\_\_\_\_ Source: \_\_\_\_\_

Other Income \$ \_\_\_\_\_ Source: \_\_\_\_\_

Do you anticipate additional income that you are not currently receiving?  Yes  No  Uncertain

If yes, please indicate the source of the income: \_\_\_\_\_

RETIREMENT

1. At what age do you want to retire? \_\_\_\_\_ Your Spouse? \_\_\_\_\_
2. What is the minimum income you will need, in today's dollars, at retirement? \$ \_\_\_\_\_
3. If you plan on working after retirement, estimate your expected income: \$ \_\_\_\_\_
4. What interest rate would you like to earn on your investments? You: \_\_\_\_\_ % Spouse: \_\_\_\_\_ %
5. What do you think inflation will average in the future? \_\_\_\_\_ %

BALANCE SHEET

**Investments** (i.e., checking & savings accounts, money market, IRAs, 401(k)s, stocks, bonds, mutual funds, etc.)  
 You may attach statements instead of filling this section out.

	Account Type	Location	Approximate Value
1.	_____	_____	_____
2.	_____	_____	_____
3.	_____	_____	_____
4.	_____	_____	_____
5.	_____	_____	_____
6.	_____	_____	_____
7.	_____	_____	_____

**Liabilities & Outstanding Debt** (i.e., home, business, credit cards, loans, other long-term debt, etc.)  
 You may attach statements instead of filling this section out.

	Type of Liability	Name of Debtor	Interest Rate	Approximate Balance Due
1.	_____	_____	_____	_____
2.	_____	_____	_____	_____
3.	_____	_____	_____	_____
4.	_____	_____	_____	_____
5.	_____	_____	_____	_____
6.	_____	_____	_____	_____
7.	_____	_____	_____	_____

# RISK ASSESSMENT QUESTIONNAIRE

The Risk Assessment Questionnaire helps to determine the best asset mix for an investment, based on the answers given to the questions below.

Client Name: \_\_\_\_\_

1. This graph shows the potential range of gains or losses of a \$100,000 investment in each of seven hypothetical portfolios at the end of a 1-year period. The number to the right of each bar shows the best potential gain for that portfolio, while the number to the left of each bar shows the worst potential loss. Given that this is the only information that you have on these seven hypothetical portfolios, which one would you choose to invest in?

- Portfolio A
- Portfolio B
- Portfolio C
- Portfolio D
- Portfolio E
- Portfolio F
- Portfolio G

2. Inflation (rising prices for goods and services) can have a significant effect on your investments by decreasing their potential purchasing power over time. Aggressive investments have historically outpaced inflation over the long run, but have had more instances of short-term losses than more conservative investments. How do you feel about inflation and its impact on your investments?

- You are satisfied with your investments keeping pace with inflation. Limiting the potential for short term loss is your main goal, and you are willing to sacrifice the potential for higher returns
- You would like your investments to outpace inflation. You are willing to assume some potential for short-term loss in order to pursue that goal.
- You prefer that your investments significantly outperform inflation. You are willing to assume a greater potential for short-term loss in order to pursue that goal.

3. Suppose that a substantial portion of your investment portfolio is invested in securities. If the stock market were to experience a prolonged down market, losing 50 percent of its value over a 3 year period, what would you do (assuming your securities behaved in a similar fashion)?

- Sell all the securities in your portfolio. You are afraid that the stock market is in a downturn and you cannot afford the decrease in value.
- Sell half of the securities in your portfolio. You think that the market may rebound, but you are not willing to leave all your investment exposed to further loss.
- Hold the securities in your portfolio. You understand that your investment may be subject to short-term price swings and are comfortable "weathering the storm."
- Buy more securities for your portfolio to take advantage of their low price. You are comfortable with market fluctuations and assume that the stocks will regain their previous value or increase in value.

4. Once again, assume you have a substantial portion of your investment portfolio in securities. If the stock market were to gradually decline at an average of two percent per month, eventually losing 24% of its value over a year, which of the following would you do?

- Sell the securities in your portfolio and realize the 24% loss. You wish to avoid the risk of further loss.
- Sell half of the securities in your portfolio. You are not willing to leave all of your investment at risk for further loss.
- Do nothing. You are comfortable waiting for the securities to regain their previous value or to increase in value.
- Invest more now because securities are selling for approximately 24% less than they were 12 months ago. You believe that the securities will regain their value or possible appreciate even higher over the long term.

---

5. Aggressive investments have historically provided higher returns while exhibiting greater short-term price fluctuations and potential for loss. How do you feel about fluctuations in the value of your portfolio?

- You want to minimize the possibility of loss in the value of your portfolio. You understand that you are sacrificing higher long-term returns by holding investments that reduce the potential for short-term loss and price fluctuations.
- You can tolerate moderate losses in order to achieve potentially favorable returns.
- You can tolerate the risk of large losses in your portfolio in order to increase the potential of achieving high returns.

---

6. What is the investment time horizon on these investable assets?

- Less than 3 years
- 3-5 years
- 6-9 years
- 10+ years

---

7. What is your current Annual Household Income?

- None
- \$0 - \$30,000
- \$30,001 - \$50,000
- \$50,001 - \$100,000
- \$100,001 - \$250,000
- \$250,001 - \$500,000
- \$500,001 - \$1,000,000
- \$1,000,001 - \$3,000,000
- More than \$3,000,000

---

8. What is your Approximate Net Worth?

- Less than \$250K
  - \$250 - 500K
  - \$500K - 1M
  - \$1M - 3M
  - \$3M - 5M
  - \$5M - 10M
  - \$10M - 20M
  - More than \$20M
-

- 
9. What are you Income Needs from Portfolio Assets?
- |                       |                   |                       |                              |
|-----------------------|-------------------|-----------------------|------------------------------|
| <input type="radio"/> | None              | <input type="radio"/> | \$60,000 per year            |
| <input type="radio"/> | \$10,000 per year | <input type="radio"/> | \$70,000 per year            |
| <input type="radio"/> | \$20,000 per year | <input type="radio"/> | \$80,000 per year            |
| <input type="radio"/> | \$30,000 per year | <input type="radio"/> | \$90,000 per year            |
| <input type="radio"/> | \$40,000 per year | <input type="radio"/> | \$100,000 per year           |
| <input type="radio"/> | \$50,000 per year | <input type="radio"/> | More than \$100,000 per year |
- 

10. What is your State Tax Bracket?
- |                       |    |                       |          |
|-----------------------|----|-----------------------|----------|
| <input type="radio"/> | 0% | <input type="radio"/> | 6%       |
| <input type="radio"/> | 1% | <input type="radio"/> | 7%       |
| <input type="radio"/> | 2% | <input type="radio"/> | 8%       |
| <input type="radio"/> | 3% | <input type="radio"/> | 9%       |
| <input type="radio"/> | 4% | <input type="radio"/> | 10%      |
| <input type="radio"/> | 5% | <input type="radio"/> | Over 10% |
- 

11. What is your Federal Tax Bracket?
- |                       |     |                       |     |
|-----------------------|-----|-----------------------|-----|
| <input type="radio"/> | 0%  | <input type="radio"/> | 28% |
| <input type="radio"/> | 10% | <input type="radio"/> | 33% |
| <input type="radio"/> | 15% | <input type="radio"/> | 35% |
| <input type="radio"/> | 25% |                       |     |
-
